9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

Regulation 63-502.2(i) - The earned income (as defined in Section 63-502.13) of children who are members of the household, who are elementary or secondary school students at least half time, and who have not attained their 19th birthday. Income of a student who attains their 19th birthday during the certification period, shall be excluded until the month following the month in which the student turned 19. If the student becomes 18 during an application month, the income is excluded in the month of application and counted in the following month except as specified in Section 63- 507(a)(4)(A).

At what age are earnings of a child attending school excluded, 18 and under or 19 and under? Are the regulations different for recipients and applicants as stated in 63-502.2(i)?

10. REQUESTOR'S PROPOSED ANSWER:

As stated in 63-502.1(d) - All earned income of a child under 19 years old is exempt if he/she is a full-time student, or he/she has a school schedule that is equal to at least one-half of a full time curriculum, and he/she is not employed full time.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

Per current policy in ACL 07-31, CalFresh regulations will be updated to state that the earned income exclusion for a minor only applies when the child is under 18 years of age.

The regulations should read - The earned income (as defined in Section 63-502.13) of children who are members of the household, who are elementary or secondary school students at least half time, and who have not attained their 18th birthday. Income of a student who attains their 18th birthday during the certification period, shall be excluded until the month following the month in which the student turned 18. If the student becomes 18 during the application month, the income is excluded in the month of application and counted in the following month except as specified in Section 63-507(a)(4)(A).
